Subject: 2021 System Hardening Weekly Summary 1/6/2021

Attachments: 2021 System Hardening Weekly Summary (Ran 1-6-2021).xlsm

Hey ,

Please find attached a copy of this week's update for the WSHP weekly summary. As noted previously, the data in the ADA has not yet pivoted to display 2021 installed mileage yet. I'll follow up again with our exponent contact today to see when that will take place.

Feel free to reach out if you have any questions.

Regards,
