[REDACTED]

I am just checking in to see the status of returning these documents completed with your review? Will you have them early this week so we can continue with the scoping approval process?

Thank You,

[REDACTED] PMP

Please review, segment and return the completed Field Scoping Documents to me as soon as you can so we can continue with the scoping approval through the Wildfire Governance Committee. Please let me know if you have any questions or concerns.

Thank You,
