Did you create a separate document for each segment? The purpose is to create 1 document showing all segments and the separate documents for each alternate. Can you correct this?

Thank You,

Sorry [REDACTED] this one is [REDACTED] project,

[REDACTED]

Please make sure the key sketch is complete for the 3 alternative (Preferred scope is attached as mostly UG with a little bit of OH Harden in place) and the unit cost spreadsheet as well and return to me when completed.

[REDACTED]

Please obtain WBS and Cost Elements for the 2 additional segments. Please return the Sub order table to me.

Thank You,
