[REDACTED]  
I received the sub order table. Who is the contact with [REDACTED]? I still need the key sketch, etc.

Thank You,

Sorry this one is project,

Please make sure the key sketch is complete for the 3 alternative (Preferred scope is attached as mostly UG with a little bit of OH Harden in place) and the unit cost spreadsheet as well and return to me when completed.

Please obtain WBS and Cost Elements for the 2 additional segments. Please return the Sub order table to me.

Thank You,
