Hi [REDACTED]

Got your voicemail. Sorry I was unavailable. I am fairly certain this project is in North Valley, which isn't mine. I believe the person you want to contact is [REDACTED]. He was the EA VPM for that division at the end of last year and to my knowledge he should still be in that role.

**Subject:** O8W-PM [REDACTED] - Bucks Creek 1101 Phase 1 - Pre-Engineering Meeting  
**When:** Monday, February 22, 2021 11:00 AM-12:00 PM (UTC-08:00) Pacific Time (US & Canada).  
**Where:** 3756 Hwy 70 (please see attached kmz file)

All,

**Please find time to attend this meeting, and if you absolutely can't make it please work with your management to find an alternate person to go for you, that is if you are in the 'required' category.**

I am attaching a 'kmz' file since when I enter the address as seen in the picture (I'd like to meet just on the other side of this bridge) it takes me to a farm in Oroville which is about an hour away from the job-site....so make sure you understand where it is you are going before leaving. We will also need access to the sub-station so please be sure to wear the appropriate PPE so you can enter the grounds.

Please advise,

Hi [REDACTED]

I am doing the estimate for Phase 1 of the Bucks Creek 08W wildfire hardening under PM [REDACTED]. Would you like to schedule a pre-engineering meeting to discuss potential issues with this job? Let me know if you have any questions or would like more information.

Thank you for your time,
