I'll need to have this breakdown included. The one below is from the November report.

Could you please add this and resend it to me?

CE#	Cost Element	Order	Values No. Of Projects
⊟ PGE1ORDFIN	⊞ Order Financial Costs		1

Subject: 08W Cost per mile

Hi

As per our phone call, attached are word document that illustrate the data source and how the report works , and excel file 08w cost per mile through Jan 2021. I have cleared any filter except that filtered out any 0 mileage and filtered out any CN24 date on 01/15/2021 and beyond. The average cost is   if you want to exclude the SD outliers, the average cost will be

Please let me know if you have any question or concern

Kind Regards,

Sr. Project Controls Analyst
