Attachments: Exec Status Update 08W - 3.24.21.xlsx

Team,

Below are the projects that were approved last week by the WFGC to be added back into our current system hardening work plan.

Pacific Gas and Electric Company

Subject: Projects approved by WFGC 3.24.20

Good morning Gentlemen,

Please see the below recent PM's that have been approved by the WFGC. I have attached our Exec Status Report for more detailed information on these projects and note that in Column C (Exec Status), anything with a 13 means that it has been approved by the WFGC. If you have any questions please do not hesitate to reach out.
