Subject: RE: Wrong Reporting Year

[REDACTED]

The MPP request was submitted today to push out to 2022, I did not push out earlier was hoping the DSDD started end of last year would not push this project out to 2022.

Subject: Wrong Reporting Year

Team,

Below are projects that you have forecasted for 2022 but still show a reporting year that doesn't match. Please check in on these to see why they aren't updated and when they will be.

Thank you,
