Hi [Redacted]

We are preparing for an 'executive visit' of the Bucks Creek planned O&W work, and was told that you could do a cursory look at my projects to confirm which agencies we need to coordinate/permit with?

Please advise to all on this email,

Hi [Redacted]

I am the PM of the following projects and would like you to take a cursory review of all associated agencies that we will encounter that will need permitting/notification. Clearly, we have Caltrans and the RR....but are there any others?
