16:00 – 16:30 Daily Debrief Conference Call

**Site Visit Details: April 14 - 16, 2021**

**DRAFT**

**Friday, April 16**

**PG&E Participants:** [REDACTED]

**Agency Participants:** [REDACTED] (CPUC WSD Director), CalTrans, Plumas County, Plumas National Forest, Burlington Northern Railway

**FEP Participants:** [REDACTED]

**07:30 - 13:00 System Hardening**

- [REDACTED]
- Meet at the parking lot for the Enterprise Record
- **Comments:** There are 3 projects on the Bucks Creek circuit that cover 4 miles which have a relatively high-risk score in the updated risk model. These projects have agency dependencies with Railroad, CalTrans, Forest Service, Cal FIRE and PG&E Hydro. These projects are also 90% underground which means construction will start in 2022. The projects are southeast of Paradise.

Circuit	Project / Device	2019 Risk Rank	2021 Risk Rank	2021 POI Rank	2021 Consequence Rank

POI: Probability of ignition
