Attachments: Exec Status Update 08W - 4.28.21.xlsx

Hi [REDACTED]

Happy Wednesday. Please see the attached for our up to date tracker. Note that there is a .95 mile discrepancy between the DOT and our tracker for completed mileage. There is a new MAT Code of 06H claiming the .95 miles.

On a side note, I have Marc Perez in copy from our team to cover for me while I am out for the next 4 weeks beginning May 3.

Best Regards,
