Hi

Attached are updates as of noon today. We are working with your PMs to prioritize all of them, but in a nutshell:

Priority 1 = 2021 Workplan

Priority 2 = 2022 Workplan

Priority 3 = Waiting for WFGC approval, PM assignment and SOW

Helpful Columns for you for planning purposes:

Column H: Caltrans District (District 5 & 10 have particularly long lead times)

Column I: DSDD indication (You can Filter for Yes or No)

Column U: Land Comments that are likely helpful

Currently there are no Amber or Red Flags.

Thank you!
