Subject: System Hardening Site Visit

Hi [REDACTED]

I've been asked to coordinate another site visit or two with our leadership similar to our visit to Bucks Creek where we have multiple agency constraints and ask representatives from those agencies to attend. The time frame they are asking for is around July 15 +/- . I have started sorting through the projects for potential candidates and will need to pass that baton on to [REDACTED] while I am out on vacation.

I wanted to notify you as early as I became aware because Caltrans will almost definitely be one of if not the only agency on the projects we select. I know you asked for more advanced notice than last time and I have informed the team of your feedback however they would still like to hold to the week of July 15. I've included [REDACTED] and [REDACTED] in this discussion as contact points for you while I'm out.
