Thanks. I am going through it now. Will send V2 if I make changes.
Do you want me to schedule time with [REDACTED] and [REDACTED], I know tomorrow is tight as we have the Ops Observer meeting.

Hi [REDACTED],

Please see the first draft of the materials for Friday. I think we are in a really strong place for this, but will need some additional feedback from each of the workstreams. I have time scheduled with [REDACTED], but will need to put time on with [REDACTED] and [REDACTED]. The area where I could use your support the most is with the action items. I believe we have the majority well covered and documented, but it may be too much detail for the time we have allotted. Once we are comfortable with the materials, I will fill out the agenda.

Thank you,

[REDACTED]
