Hi [REDACTED]

[REDACTED] wanted an updated transition between the tree weighted plan description and the “no regrets” plan. I have a first crack at the transition slide but could you please confirm the numbers. There is a slight break between what I have and what is presented on the next slide.

[REDACTED] – I’ve updated slide 13 and 20. Please provide back your thoughts and I can edit as needed. Once [REDACTED] has validated the numbers, I will forward to [REDACTED]

Thanks —
