Risk Model-SH-EVM - CWSP 111720 v1.pptx

For the CWSP Leadership Meeting, here is the material covering what I, [REDACTED] and [REDACTED] can touch on. Per your note, we have 30 mins. I will keep it to the slides before the appendix, but we can jump to appendix sections if more detail is needed

I hope this works and is not too much. I plan on going through it fast.
