All:

Here are the slides that [REDACTED] reviewed during today's CWSP Leadership Team meeting. If you have questions each mentioned that you can reach out to them to understand further. As slide 15 shows, however, some of this is still under development, so not everything has been finalized, particularly as it relates to the 2021 workplan for the System Hardening, Enhance Veg Mgmt and Asset Inspection programs.

Thanks,

## Agenda Added

### Purpose:

Please join for this weekly alignment meeting of the CWSP Workstream & Support Team leads (generally at the Director level). The primary purpose of this meeting is to ensure alignment across our various, cross-functional teams and topics we will discuss include:

- Emergent issues
- Workstream report-outs on decisions, actions, or support needed
- Progress updates
- Cross-functional decisions needed
- Communications and outreach related to CWSP programs
- Deep dives as needed on cross-functional or workstream specific topics.

If you have topics you would like to discuss, questions or concerns please let me know.

Thank you,

---
