[REDACTED] and I spoke to as I needed clarification on some of the specifics that FEP wanted to meet on. Here is the comprehensive list of follow up's that I have and who in EO needs to be there.

1. Review of Public Safety LTIP Metrics – System Hardening and EVM

Presented By: [REDACTED]
Materials for that meeting are attached, the final targets have not been signed off, but the concepts and outline will not change.
Date & Time: Dec 15th – Time: TBD

2. Inspection Review and QC Process – Central Inspection Review Team (Transmission) / Distribution Inspection Review Team (DIRT) – Understand the process and the review performed.

Presented By: [REDACTED] and the managers of her CIRT/DIRT teams
Materials to be distributed prior to the meeting
Date & Time: To Be Set.

3. AI / Machine Learning application used to scrape and curate information from Inspection Photos and Videos (Program Sherlock)

Presented By: [REDACTED]
Materials to be distributed prior to the meeting
Date & Time: To Be Set

4. PSPS Operational Improvements – Based on learnings from 2020 Events

(including improvements/changes to a) Criteria & Protocol determining when and where to call PSPS and b) Weather modeling and fire prediction tools)
Presented By: [REDACTED]
One this one I need to first have a meeting with [REDACTED]
Materials to be distributed prior to the meeting
Date & Time: Most likely in first or second week of Jan

5. A&B Tag Ongoing Meeting on why E tags were becoming A&B Tags

Presented By: [REDACTED]
Ongoing Meeting: Just need to invite FEP

I hope this helps.
