Hi [REDACTED]
See below and attached for your reference. Can you send the latest WMP draft that you know of? I want to pull the exact commitment wording for 2021 and the next 3-yrs.

Thanks in advance!

Some of the measures included in this email are contemplated as additional precautionary measures intended to further reduce the risk of wildfires.

Team:

Please work to get information updated I have already let them know that we will not make COB today, confirm when completed and ready for my review.

[REDACTED] work with [REDACTED] so we have the full update for Hardening.

Let me know if you have any questions.

Thanks,

Subject: [Narratives Requested] Q1 Enterprise Quarterly Planning Deliverable; section 3
Importance: High

Good Evening All,

Below is an outline of the next steps needed to complete the draft by EOD, Friday, February 5th for Section 3 of the Enterprise Quarterly Planning process deliverable. Thank you for patience, aggregating and wrangling of the data was challenging. The key work points of contact, specifically [Redacted]

[Redacted] (those on the "To:" line of this thread) - each have 1 or multiple key work programs to please provide the following:

- EO SME or slide "Point of Contact" are requested to populate a narrative in the **Commitments** section
 - Describe the external commitments (ex: 2020-2022 GRC, 2021 WMP)
 - Any known risks to these commitments
 - Any known consequences for not executing these commitments
- EO SME or slide "Point of Contact" are requested to also populate a narrative in the **Forecast** section

- Please make direct edits using the [SharePoint link](#) for the PowerPoint slides, to input the **Commitment** and **Forecast** narratives
- These requests may require connecting with peers in asset strategy to articulate the narrative in certain instances

[Redacted] are here to support in any way.

Thanks & Be Safe,

[Redacted]
