**Subject:** Wildfire Risk Governance -- Inform - Feb 5, 2021

All,

Given that many committee members are in the field and unable to participate in today's Wildfire Risk Governance meeting, I have canceled the meeting. However, several topics were coming forward to inform the committee and close open action items.

The attached material has these topics. At the next Wildfire Risk Governance, these will be included in an Inform section, so should any of the Committee members have questions we can address the questions in that session.

Thank you.
