2021 System Hardening Weekly Summary (Updated 2-9-21) v1.xlsm

Evening Team,

Please find attached a copy of this week's update for the WSHP weekly summary.

[REDACTED] I did not notice any additional inputs to the 2021 installed mileage this evening thus any further updates will be picked up in next week's refresh of this report.

Feel free to reach out if you have any questions.

Thank you kindly,
