**Attachments:** RE: URGENT: 12/2 Update: Forecasting 2021 System Hardening work

Hi [REDACTED]

The below Hardening job was approved to be added back to the Workplan for 2021 execution and appears to be in a ready status, and was previously assigned to GC. You can begin coordinating & scheduling ASAP. (Will help fill the gap for the recently removed poles in Grass Valley). Let me know if you have any concerns.
