Subject: Intent Contacts & Letter Template
Attachments: Intent Contacts 6-16-21 .xlsx; Intent Letter Template-ATT.docx; JOINT TRENCH - Attachment 1.pdf

[REDACTED]

Please see the attached Intent Contact list that Gas ADE [REDACTED] has been updating and the Intent Letter Template used for New Business. Also attached for reference is PG&E Standard UO S5453 Joint Trench Attachment 1.

I reached out to [REDACTED] and for [REDACTED] work each municipality is asked for their contact information for the other utilities that may be involved in the joint trench. They are project specific but like with PG&E she often sees the same names over and over because certain individuals are assigned to cover a specific territory.

Let me know if I can help with anything else!

Thank you,

[REDACTED] Associate Distribution Engineer - Gas
Pacific Gas and Electric Company
