Hi [REDACTED]  
Absolutely, section 18.1E of the NCJPA Routine Handbook is our guidance document for joint use (our contract with other owners). I've attached the entire book for your review and provided a snip from the relevant section below.

Hi [REDACTED]  
I saw you were out yesterday and just wanted to follow up on this item. Let me know if this is something you can provide or if there is someone else I should connect with.

Thank you for your input last Thursday on who takes responsibility for poles we “top” and when. It was very helpful to learn that.

Do you by chance have the ability to share the contract document that spells that out with that section called out? I would like to have it for my own records, but would also like to share that with [REDACTED] so he has the official language.
