Hi [REDACTED]

Please see attached for draft ELT deck for 7/14. We may need to reduce it down to fit the 10 min timeslot.

Thanks,
[REDACTED]

Thanks [REDACTED]. It'd be great if we could get any visuals by Monday, July 12.

Hi [REDACTED]

I will work on compiling content on behalf of the Wildfire team. What day will you need it submitted by?

Thanks,

Great news. Thank you, [REDACTED]. Do you think you'll have slides or any other visuals that you'd like to project?

[REDACTED]

I'm working with [REDACTED] to build the agenda for the **July 14 All-ELT Meeting (1:00-2:45pm)** – and we're hoping you three would be willing to reprise your wildfire preparedness update for our internal leadership audience. We presented the idea to [REDACTED] this morning and she's strongly in support.

We'd give you **30 minutes on the agenda to cover your segments**, which we summarized to [REDACTED] like this:

- [REDACTED] Efforts on wildfire mitigation, including risk modeling and WCC (**I can also provide an update on Step 1 of the Enhanced Enforcement Process as part of this update**)
- [REDACTED] Meteorology update, focus on how weather will impact wildfire conditions
- [REDACTED] Deeper dive in PSPS operations and customer support, including improvements we've made this year

Although your segment is 30 mins, we'd be grateful if you could join the meeting 15 mins early to test cameras and stay through the closing Q&A in case questions arise on your topics.

What do you think? Are you available to join and present?
