07:30 - 13:00 System Hardening

- **Location: 400 E. Park Avenue, Chico, 95928**
<https://goo.gl/maps/M5KknWZJx7UEdthf7>
- Meet at the parking lot for the Enterprise Record
- **Comments:** There are 3 projects on the Bucks Creek circuit that cover 4 miles which have a relatively high-risk score in the updated risk model. These projects have agency dependencies with Railroad, CalTrans, Forest Service, Cal FIRE and PG&E Hydro. These projects are also 90% underground which means construction will start in 2022. The projects are southeast of Paradise.
