We still have this project under [REDACTED] We'll send something back to [REDACTED] and loop you in.

[REDACTED]
Can you please look into this when you get the opportunity? We'll need 2 more PM#s.

Hi [REDACTED]
Can you please build out another two PM#'s if you haven't already?

Best

Subject: FW: 35217268 - Bucks Creek - Key Sketch and Sub Order Table

Hi [REDACTED]
I have couple of questions;
For this project was there any change in Alt2 and Alt3 since it was routed to me and ops? Can I use that scope for key sketches?
Is the unit cost spreadsheet I am being asked for the same that was in the routing?

Sorry this is the first time I am doing it and needed some clarification

Thanks,

[REDACTED]

Sorry [REDACTED], this one is [REDACTED] project,
[REDACTED]

Please make sure the key sketch is complete for the 3 alternative (Preferred scope is attached as mostly UG with a little bit of OH Harden in place) and the unit cost spreadsheet as well and return to me when completed.

[Redacted]

Please obtain WBS and Cost Elements for the 2 additional segments. Please return the Sub order table to me.

Thank You,

[Redacted]
