**Subject:** PM 35217268 - Bucks Creek 1101 Phase 1 - Pre-Engineering Meeting

Hi [REDACTED]

I am doing the estimate for Phase 1 of the Bucks Creek 08W wildfire hardening under PM 35217268. Would you like to schedule a pre-engineering meeting to discuss potential issues with this job? Let me know if you have any questions or would like more information.

Thank you for your time,
