 RE: Update Rainbow Report

Attachments: 2021 System Hardening Weekly Summary (Updated 2-25-21).xlsm

Here is a copy of our rainbow report refreshed as of 5 minutes ago.

Below is what I pulled from

Scoping file.

	OH Miles	UG Miles	Relocate	Removal	Tol
WFGC(Wildfire Governance Committee) Approved	105.6	64.0	0.7	15.1	
Ready to be scheduled WFGC	.=-	-		_	
Asset Mgmt Document Building for WFGC	50.5	22.6	0.9	5.6	
Planning Engineers Review	44.9	18.8	0.2	3.2	
ADE - Field Scope	40.0	·-	æ	8.0	
Table Top	Æ	-	æ	-	
TOTAL		-			-1

Does this get you what you need?

Thanks!

and .

Can I get an updated Rainbow Report today with exactly where we are and I want to include detail in there as well. If you could even if manual do something like what I attached.

scoping

is hot on this one.
