08W Cost per mile February 2021 Update

Attachments:

08W cost per Feb-2021 updated on 2021-03-05.xlsx

Morning 

Attached file is 08W cost per mile by end of Feb2021. CN24 dates filtered out up to mid of Feb. We got 11 more projects that are completed with 21 miles and \$16M hit since last month. The average cost per mile got reduced from 

Please let me know if you have any question or concern.

Kind Regards,
