Subject: 3-17 Hardening Action Items Meeting Notes
Attachments: 2021 System Hardening Daily Summary (Updated 3-16-21).xlsx; Meeting Notes - 2021-3-17 Hardening Action Items - Director required 1x per Week.docx

Hey [REDACTED]

Please see the attached meeting notes from this mornings session. Also attached is an errata copy of the system hardening log that was provided yesterday. Looks like the prior day cumulative numbers were not copied correctly thus was not counting prior day benchmarks. Impact will be lower day to day change under the delta column. Apologies for the miss here.

Let me know if you have any further questions.
