 Subject: Action requested - 2021 Forecast mileage allocation for Scoped projects in WSHP Project Log (DOT)
 Attachments: FW: Projects approved by WFGC 3.24.20

Hi Project Management Team,

The WFGC has recently approved the scope for the list of projects below. As such, can you please update the forecasted mileage within the DOT to the appropriate year that you expect the miles to actualize.

Mileage Allocations		Forecast allocation...	Unallocated Miles S
Check Labels	Definitions	Missing Allocation	Under Allocation
Forecast allocation - Missing Allocatio	In 2021 workplan , Scoped, but no allocation of forecast miles in CY	OK	
Unallocated Miles status - Removed fr	Project with "Remove" label in Construction notes		
Unallocated Miles status - Not in Work	Project year does not equal 2021 hence out of scope for review		
Unallocated Miles status - Over Alloca	Miles allocated between forecast periods + installed miles exceed total plan		
Unallocated Miles status -Under Alloci	Mileage under allocated for project in current year workplan		
<i>Note: Only projects that are complete are inscope for this review</i>
