Team,

Below are the projects that were approved last week by the WFGC to be added back into our current system hardening work plan.

Pacific Gas and Electric Company

Subject: Projects approved by WFGC 3.24.20

Good morning Gentlemen,

Please see the below recent PM's that have been approved by the WFGC. I have attached our Exec Status Report for more detailed information on these projects and note that in Column C (Exec Status), anything with a 13 means that it has been approved by the WFGC. If you have any questions please do not hesitate to reach out.

Order	Short Text
35113950	CWSP - BIG BASIN 1101 - LR10296 PH 1.2
35113951	CWSP - BIG BASIN 1101 - LR10296 PH 1.3
