H [REDACTED] & [REDACTED]

Attached are updates as of noon today. **No additional DSDD triggers this week**; you can see which ones by filtering Column I.

Column H: Caltrans District (District 5 & 10 have particularly long lead times)  
Column I: DSDD indication  
Column U: Land Comments that are likely helpful

The sooner we can get the Estimator's name the more swiftly we can hand the Basemap over, and we've had several successful Handoffs the past few weeks. Currently there are no Amber or Red Flags 

Thank you! [REDACTED]
