16:00 – 16:30 Daily Debrief Conference Call

Site Visit Details: April 14 - 16, 2021 DRAFT

Friday, April 16

PG&E Participants: Agency Participants:

FEP Participants:

08:00 - 13:00 System Hardening

- Location: 2485 Notre Dame Blvd 750, Chico, CA 95928 <u>https://goo.gl/maps/35kmFomzCpfqbNvY7</u>
- o Meet at the parking lot for Starbucks Coffee
- Comments: There are 3 projects on the Bucks Creek circuit that cover 4 miles which have a relatively high-risk score in the updated risk model. These projects have agency dependencies with Railroad, CalTrans, Forest Service, CalFire and PG&E Hydro. These projects are also 90% underground which means construction will start in 2022. The projects are southeast of Paradise.

| | Project | 2019 | 2021 | 2021 | 2021 |
