**Attachments:** 2021 System Hardening Daily Summary (Updated 04-14-21)v1.xlsm

Team,

Please find attached a copy of today's update for the WSHP summary. Previous data issue is now resolved and apologies for the delay in distribution.

If you have any questions please feel free to reach out.

Thank you,

[REDACTED]

**Subject:** System Hardening Daily Summary 04/14/21 (Delayed)

Team,

Please be advised that there is a delay with today's distribution of the summary file. A change to a key data field in the DOT has disabled a major reference key in the summary file preventing the data flow to the summary tables.

A hot fix is currently being worked and apologies for the delay.

Regards,
