Hi [REDACTED],

Attached are updates as of noon today. No new DSDD Triggers this week (😬) and we are up to 100 Basemaps. We are working with your PMs to prioritize them, but in a nutshell:

Priority 1 = 2021 Workplan  
Priority 2 = 2022 Workplan  
Priority 3 = Waiting for WFGC approval, PM assignment and SOW

Helpful Columns for you for planning purposes:  
Column H: Caltrans District (District 5 & 10 have particularly long lead times)  
Column I: DSDD indication (You can Filter for Yes or No)  
Column U: Land Comments that are likely helpful

Currently there are no Amber or Red Flags 😊

Thank you! [REDACTED]
