Hi [REDACTED]

I have already created the new Org (Project Management North). I believe the HR people were going to move [REDACTED] into the Rotational Supervisor over that org. I think [REDACTED] cleared up the [REDACTED] issue, but the remaining are in our group.

Hi [REDACTED]

Yep – I can help with this. I can complete a Mass Reorg Form and submit to AskHR as a one/done to move everyone at once. Estimated completion time of 48-hours.

Couple of things:

1. [redacted] is mapped as an individual contributor reporting to [redacted]. He is not a chief and doesn't have his own org for employees to report to him.
2. Not all of the employees listed below are in orgs I'm a delegate for. I can complete moved for your one employee [redacted] and all of [redacted]. For the last 2 below - each manager would need to approve via email to transfer their employees/contractors:
 - a. [redacted] – under [redacted]
 - b. [redacted] (EE) – under [redacted]
 - c. [redacted] (EE) – under [redacted]
 - d. [redacted] (Contractor) – [redacted]
 - e. [redacted] (EE) – under [redacted]
 - f. [redacted] (Contractor) – [redacted] (Gas Mgmt)
 - g. [redacted] - (?) Don't know which [redacted] this is since we have more then on in Outlook/Who's Who. Will need his Lan ID.

Is [redacted] moving into a new role?

- If yes, then that needs to happen first – create an org, create a chief spot and move him into it. Then all of these moves can be done as once. You will need to coordinate with our HRBP [redacted]
- If no, who would you like me to move everyone under and what is the effective date?

Sorry to be doomsday, but want to help with clean moves.

Let me know if you have questions. I'll be online until 4:30pm today if you would like to do a call.

Stay Healthy – Stay Safe,

Hi [REDACTED]

I was hoping to get confirmation of my team members...I have seen a few lists but nothing has been confirmed to my knowledge.

Please advise so I can set up my weekly cadence meetings,
