PRJ002 filtered for Business Cases Needed

PRJ002 05.25.21 - [REDACTED].xlsx; PRJ002 05.25.21.xlsx

Good morning everyone,

Please see the PRJ002 with the updated forecasts entered for the jobs needing a BC. I have filtered them all for ease of navigation on the 2 blue colored tabs.

You will find 35226631 in the additional PRJ002 ran for [REDACTED] attached because that one is under TDDD. 35174085 – Frogtown has a ticket submitted to create a WBS element so that we can forecast to it.

Please let me know if you have any questions!

Thank you,
