[REDACTED] - Thanks for putting this together. We need to dive deeper into a variety of items (ex: project status, which projects were elevated due to PSS review, which agencies are involved). We can start the discussion at our weekly call with [REDACTED] tomorrow at noon. We can then use that info to plan the upcoming site visits. Thanks.

Please let me know if you need anything else on this. As the projects are selected for the upcoming field visits, the planning team can provide maps / additional info for those specific projects.

Thanks,
