Hi [REDACTED]

Please see the first draft of the materials for Friday. I think we are in a really strong place for this, but will need some additional feedback from each of the workstreams. I have time scheduled with [REDACTED] but will need to put time on with [REDACTED] and [REDACTED]. The area where I could use your support the most is with the action items. I believe we have the majority well covered and documented, but it may be too much detail for the time we have allotted. Once we are comfortable with the materials, I will fill out the agenda.

Thank you,
[REDACTED]
