Per the PSS contact, the fire is growing rapidly and you need to stay well outside of the TFR

10:15 AM

Regardless of what air track said.

10:15 AM

Ok

10:15 AM

T4

10:15 AM

Is the tfr up yet

10:16 AM

Not officially, but it's coming. They were very adamant all scheduled work stay well outside of the TFR

10:16 AM

Ok. If it comes up while we are in the ground are we allowed to leave

10:17 AM

Understood

10:17 AM

From the convo I had with [REDACTED] it's a no, need to be outside the TFR
