Starting text group anticipating a request to de energize T line. Meeting with IC in 10. Will text when request is confirmed and follow up with call to [REDACTED]
- [REDACTED] 11:08 AM
Copy on Signal message re Caribou Table 230kV
- [REDACTED] 11:09 AM
Unread
- [REDACTED] 11:09 AM
So when you say lots confirming you mean phrase to phrase and it will remain out?
- [REDACTED] 11:11 AM
It relayed and did not test
- [REDACTED] 11:11 AM
✓
- [REDACTED] 11:11 AM
They will not re-energize
- [REDACTED] 11:17 AM
They are working on islanding right now
- [REDACTED] 11:18 AM
✓ how about the 230 assets in the bottom of the canyon [REDACTED]? What's their status?
- [REDACTED] 11:18 AM
Still energized
- [REDACTED] 11:20 AM
✓ request may come soon to de-energize. I gave the GCC [REDACTED] a heads up and we'll have you make that call to GCC when the time comes if that works, I'll be on the 11:30 AM GCC Ops call
- [REDACTED] 11:25 AM
We're going to leave the two 230kv lines in the canyon energized for now. Leave Caribou Table off. [REDACTED] is POC for next two hours
- [REDACTED] 11:27 AM
Copy
- [REDACTED] 11:28 AM
✓ understood per IC leave the 2 230kV lines in the canyon energized
