[REDACTED]

Okay to extend T21-008415 to 2200. No additional OE requirement.

Thanks,

[REDACTED]

[REDACTED]

Due to a late start from the DO's the Vacaville 115kv bus sect F clearance needs to be extended to 2200 tonight. Can you provide any new requirements for this extension if any?

[REDACTED]

Can you extend the end time of this clearance to 2200?

Thank you
