[REDACTED]  
Dixie Fire update.  
The fire spotted  
outside of retardant  
lines around 2230 this  
evening and is now  
about 15 acres in size  
burning moderately  
up slope toward the U  
Line. The fire is very  
visible on the Flea  
Mtn and Concow  
cameras. The fire is  
burning away from  
Bucks Creek 1101 and  
T lines in the canyon,  
but it is burning  
toward the Caribou  
Table 230 kV but is
