??

Got it sorry didn't mean to hit?

This is for the TFR popping up Butte/Plumas border and 1340 & 1336 are cleared into tfr up to 5 miles

Got it thank you

Have we warned the drone teams working around it?

10:04 AM

Yes I have already noticed them

Per the PSS contact, the fire is growing rapidly and all scheduled work/ships need to stay well outside of the TFR. I have notified the pilots
