Thanks! I've been watching the plume build. Figured something was going to pop up soon

10:03 AM

Yup, and it's growing fast let me know if you need anything

10:11 AM

I can believe it! It's been growing strong pretty early

These people can't make up there mind lol just gave me a new LZ

10:43 AM

I would never do that to you

10:45 AM

Where they headed to?
