

I'll reach out to Matt

I will also be discussing the part that we have SIPT and PSS at the ICP and no one call the HAWC....we have a standing call with those teams every two weeks.

In case [REDACTED] asks. PSS [REDACTED] is at the ICP and is not concerned at this time.

Liked "In case [REDACTED] asks. PSS [REDACTED] is at the ICP and is not concerned at this time. "
