Active Fire	Summary Update
Bootleg Fire	The Bootleg Fire continues to burn and threaten the transmission lines from the north continue to be extremely active in unchecked portions of the perimeter. Significant activity on the eastern side of the fire. Rapid fire spread with high intensity fire behavior due to dry, and unstable atmosphere. Evacuations are in place.
Dixie	Overnight, CAL FIRE did not get good containment on the 2-acre fire. Dixie Fire is now 100+ acres burning moderately upslope and downcanyon towards Canyon Creek Road and
River Fire	Firefighters continue to make an aggressive attack on the fire. Forward progress has been made significantly. There are structures threatened and evacuations in the immediate area treated 172 poles. The Oakhurst 1101 (117 customers) and Mariposa 2102 (56 customers) impacted. PG&E damage assessment has commenced and will continue today.

1. Bootleg
 2. Dixie
 3. River
