Hi [redacted]

I just received the email below from the warning center, do you have any information that I can provide to them?

Thank you,

Subject: PG&E Power Cut off Dixie Fire

Good afternoon,

I just saw a report on social media that PG&E had cut off power to 10,000 customers while working the Dixie Fire on Tuesday night for firefighter safety. Do you guys have any additional information on this?

Thank you,
[redacted]
